

CP MOBILE

Imagine being able to sell your product anywhere! Imagine mobilizing your inventory at a moment's notice for a tradeshow, tent sale, etc. Now imagine these possibilities all in the palm of your hand!

Presenters:

Jon Padden & Dave Brazeau

MOBILITY IN RETAIL

THE

NEW STANDARD

MOBILITY IN RETAIL: THE NEW STANDARD

Get out from behind the counter!

- Ability to get next to the customer without barriers
- Ability to create extra stations for big sales events
- Tent sales/Sidewalk sales
- Offsite events; trade shows, pop up events

What are the advantages?

- ❖ Easy expansion
- ❖ Accurate integration with payments & inventory in real-time
- ❖ Better customer interaction
- ❖ Transforming “cashiers” into “sales associates”
- ❖ Instant setup with Wi-Fi connection
- ❖ LPA also provides a rental option with CP Mobile

Major features

- Mobile Point of Sale (demo)
- Inventory counting - tightly integrated and highly accurate with verification of barcodes while performing counts
